

THE PROBLEM

-  Vendor information scattered across channels
-  Prices and availability difficult to compare
-  Repeated calls to check basic details
-  Trust and vendor reliability concerns

THE EVENTNEAR SOLUTION

One hyperlocal platform for verified vendors, prices, availability and enquiries.

-  Verified vendor profiles
-  Indicative price ranges
-  Availability information
-  Structured enquiries and reviews

Go-To-Market & Economics

VENDOR ACQUISITION

- 1

Direct vendor outreach

Calls, WhatsApp and in-person contact with local vendors.
- 2

Local partnerships

Banquet halls, venues, planners and community organisations.
- 3

Community & social channels

Colleges, housing societies, event venues and social media.

SUBSCRIPTION ECONOMICS

₹799per vendor / month

75 paying vendors × ₹799

= ₹59,925 monthly subscription revenue

Subscription revenue before operating costs — not profit.

PILOT KPIs

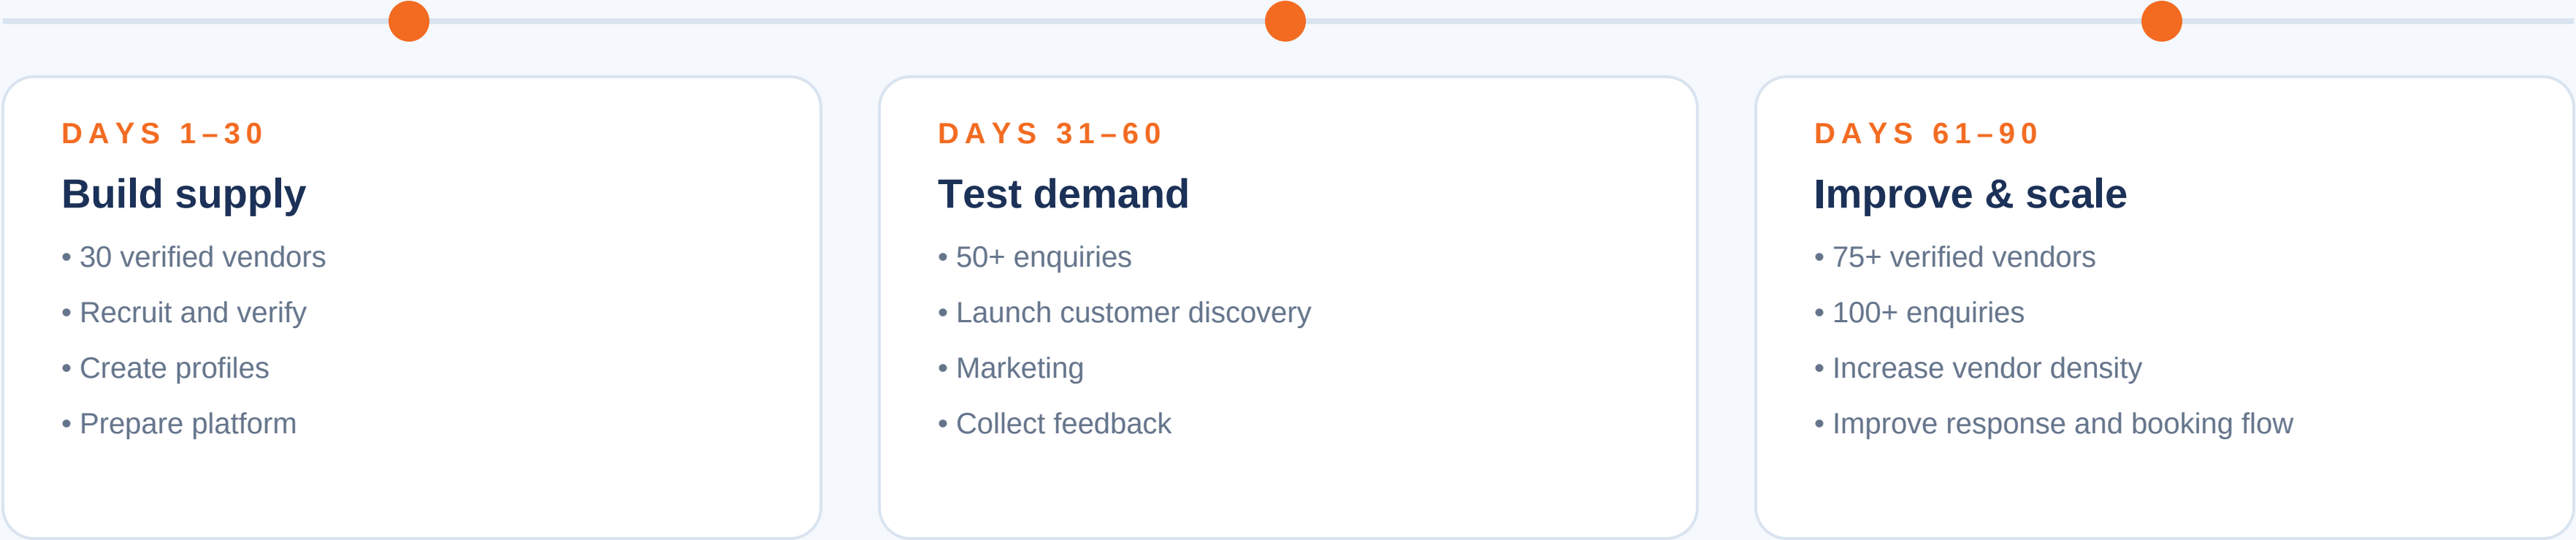

75+
verified vendors

100+
customer enquiries

60%+
vendor response rate

20%+
enquiry-to-booking conversion

Pilot → Validate → Scale

RISKS & MITIGATION

Low vendor density

→ Focus acquisition on one locality

Fake or unreliable vendors

→ Verify identity and business details

Vendor churn

→ Provide useful enquiries, insights and support

Outdated availability

→ Encourage regular availability updates

66 Build enough verified vendors to attract customers — and enough customer enquiries to make the ₹799 vendor subscription valuable.
